DETERGENTS & CLEANING PRODUCTS

All Purpose Cleaner

A Versatile Heavy Duty Cleaner and Traffic Film Remover. Removes traffic film, oils and grease residues from exterior of vehicle. Use diluted to clean interiors including carpets and upholstery.

Glass Cleaner

A Powerful Formulation offering fast drying, streak free properties. Clean windows make all the difference! You will see that difference!

Acid Free Wheel Cleaner

A Powerful solution for safe removal of stubborn brake dust from steel and alloy wheels as well as being safe on plastic trims.

Engine Cleaner Viskos

Removes oil and grease deposits from engine bays.

Truckfoam XR-500

Heavy Duty Degreaser and TFR Concentrate

specifically designed for the HGV and Transport Sector. Use on tractor units and trailers with confidence!! Also an excellent product for removing oils and greases from workshop floors.

Tar Remover

A highly active product offering the safe and permanent removal of road tar and adhesive residues from painted surfaces.

SHAMPOO

Active Shampoo

A Neutral shampoo giving powerful cleaning action where wax finish is not required.

Wax Shampoo

A Concentrated Wax Shampoo which leaves paint and bodywork with a deep wax film shine.

Splash

Splash Shampoo Concentrate. Excellent drying properties make this product ideal

for car sales forecourts, hire fleets, courtesy cars etc. where a quick turnaround is necessary. Unique Water Beading properties speeds up washing process leaving Deep Shine Finish on vehicles.

SPECIALIST CLEANERS

Co-Polymer Remover

A Super Concentrated formulation for the safe removal of co-polymer transport waxes.

Multi Degreaser

A non emulsifying degreaser for the safe removal of paraffin / solvent transport waxes. An excellent non-emulsifying engine cleaner.

POLISHES, WAXES & PAINT PROTECTION PRODUCTS

Compound

For the safe removal of paint scratches and defects. After treatment use Perfect Polish to bring gloss to surface and to seal and Protect vehicle paintwork.

Super Paint Cleaner

This Silicone Free Polish has been especially developed for treating Oxidised and dull paintwork. Can be used with a polishing machine and in direct sunlight.

Perfect Polish

A unique combination of waxes and polishes offering a high gloss finish. Specifically designed for the fleet / car sales market. Easily to apply, easy to remove. PERFECT!

Express Wax Polish

A superb fast action New Car Wax Polish. Gives a deep gloss finish and will not leave white marks on bumpers and trim. For older vehicles, use in conjunction with Super Paint Cleaner to give added protection.

Variable Polishing Machine

We are pleased to offer polishing machines, pads and ancillaries as part of the COMPLETE CARTEC PROGRAMME. Ask your Distributor for details.

REFINISH LINE

Buffing Control A0

Buffing Control removes paint defaults permanently such as scratches, overspray and orange peel. Specially formulated, this product will not leave polishing marks or swirls. Buffs to a High Gloss Finish and is Silicone Free.

Paint Control A1

Paint Control A1 is a Fast Cutting, Silicone Free Paint Renovator. Paint-Control quickly removes quick paint defaults, small scratches, overspray and orange peel. Suitable for restoring flat, damaged or oxidised paintwork and bringing it back to its original gloss finish.

Gloss Control A2

Gloss Control is a Silicone Free Paintcleaner. Removes small scratches and paint defaults. Can be used on fresh paintwork or alternatively in conjunction with Paint-Control A1. Specially formulated with micro-abrasives to give extra depth of gloss finish.

Wax Control A3

Wax Control is a Silicone Free, High Quality, Deep Gloss Wax. Ideal for new paintwork or final polishing with the Cartec Refinish Line. Wax Control seals paintwork and give a long life protection.

COSMETIC & CONDITIONING PRODUCTS

Vinyl Conditioner

A Real Winner. Will clean and protect exterior components such as bumpers, trim, tyres and vinyl roofs. Easily applied and dries quickly to a matt finish. Long Life Formulation.

Dash Fresh

Superb cleaner / conditioner for interior hard surfaces such as plastics, wood and leather. Pleasant fragrance and new look finish.

Motor Fresh

An innovative treatment which is sprayed onto clean engines. Will dress engine bay leaving engine bay, hoses and pipes looking new. No residues, water based for added safety.

AEROSOLS

The CARTEC Programme consists of over 20 aerosol products all available from your Distributor. Below are a selection.

Satin Matt Black Aerosol Offering excellent coverage used to spray wiper arms, tools and boot mats.

Wheel Silver Aerosol Superb product for wheels and plastic trims.

Upholstery Cleaner High powered Foaming aerosol for cleaning seats, carpets, headlining etc.

Cockpit Spray Gives consistent coverage across all dashboard areas, vents and hard surfaces. Available as silicone or silicone free formulation.

Foaming Glass Cleaner Ideal for use in showrooms or car supermarkets for a "quick fix" where sticky fingers have been at work.

Spray Wax Polish Keep this in the showroom. A superb gloss finish for all paintwork finishes. Bumper Paint. For rectification of scratched plastic bumpers and trim. Available in grey, anthracite and black.

PAINT PROTECTION SYSTEM

Wax Guard

A superb Paint Protection System complete with Unique Guarantee. Gloss is Guaranteed

for 3 years on new vehicles and for 2 years on used from date of application. Unique serial number applied to vehicle by Approved Valetor. Warranty details held with Cartec Importer in case of claim Proved to Add Value to vehicle.

Prep Wash

Prep Wash is a pre-treatment solution for the application of Wax Guard Protective Coating. Vehicle MUST be washed prior to application using this product to allow the coating to adhere to the paint surface evenly.

Wax Guard Conditioner

Wax Guard Conditioner is a specially developed shampoo for vehicles treated with Wax Guard Paint Protection System. This Conditioner maintains the Wax Guard surface keeping the paintwork protected.

Tex Guard

Tex Guard provides a protective layer on the surface of upholstery and carpets. Specially formulated to protect vehicle interiors from spillages and stains. Tex Guard is available in 500 ml aerosols.
